

St Mary the Virgin Theydon Bois

Safeguarding Report to the Annual PCC meeting

25.04.18

Since the last Annual Meeting the situation regarding the compliance with Diocesan Procedures has greatly improved. All existing Junior Church Leaders have been DBS checked and one new person is currently being processed.

I have attended a training programme run by the Diocesan Safeguarding team. Now I am able to work with the diocesan team as a Volunteer Safeguarding Trainer.

The additional training I have undertaken has increased my awareness of the need to follow all the diocesan and national recommendations for Safeguarding.
