

Guiding report APCM 2018

The Theydon Bois Guiding groups have had another busy and active year, despite numbers fluctuating in the groups. Jointly, we have attended church parades, run the home produce stall at the Donkey Derby (for which all groups baked biscuits and cakes), held a joint BBQ and attended a special performance of the Theydon Bois Amateur Dramatic group's pantomime in the Village Hall. All groups have tried different crafts and cooking. The Brownies made Easter wreaths and the Guides made Advent wreaths. The Rainbows made Xmas cakes and the Brownies made mincemeat. Brownies also made soup for the Lent soup lunches and the Guides made apple crumbles for them. The Brownies attended the Chigwell Row Brownie and Rainbow day last September and the Guides have visited Gilwell Park to try out some of the activities there. They have also gone camping with the Ongar Guides and visited the snow centre in Hemel Hempstead to try snowboarding. All groups have continued to do badge work in their meetings, played games and got outside for walks and treasure hunts.
